Mr. C. W. Dillahunst
125 West Frambes Avenue
Columbus, Ohio

Dear Sir:

Your medal of the second Presidency of Washington is a medal which was given by our Government to Indians and is known as a Washington Season Medal. There are three types in the set, and they are to be had in both silver and copper. They are somewhat rare today, and your piece is worth probably from \$10 to \$20, according to the purchaser.

Very truly yours,

Curator
